### **City of Lockport**

### **Local Law No. 1 of the year 2021**

A LOCAL LAW Amending Electrical Standards Section 66-19 of the Lockport City Code.

Be it hereby enacted by the City Council of the City of Lockport as follows:

#### **SECTION 19. ELECTRICAL STANDARDS**

##### **A. Licensing**

1. License; when required. No person shall conduct electrical inspections pursuant to applicable codes unless the person undertaking such inspections has obtained a license to inspect from the Chief Building Inspector.

2. Application for license.
  - (a) Applications for licenses shall be made at the Building Inspection Office. Such applications shall be made on forms prescribed by the Chief Building Inspector and shall contain such information as he or she may require.
  - (b) Persons seeking a license must submit documentation and certify that they meet the standards for an electrical inspection agency established by the Chief Building Inspector. The standards shall be filed in the office of the Commissioner and the City Clerk.
3. Issuance of license. The Chief Building Inspector shall issue a license if in his or her judgment, the applicant meets the standards for an electrical inspector and is competent to conduct electrical inspections. The City shall maintain a minimum of one and a maximum of three licensed inspectors.
4. Licensee: No person licensed under this chapter shall be deemed as an employee, officer or independent contractor of the City of Lockport.
5. Revocation and expiration.
  - (a) The Chief Building Inspector, at any time subsequent to the issuance of a license, if he or she has reason to believe that the licensee no longer meets the standards for an electrical inspector or is no longer competent to conduct electrical inspections, shall, after a hearing before the City's Corporation Counsel, have the power to suspend or revoke the license.
  - (b) All licenses, unless sooner revoked, shall expire on the last day of December after the date of issuance, and application for a new license shall be made in the same manner as for the original license by the last day of November.

## **B. Inspections**

1. Conformance with standards. All electrical installations, alterations and repairs of wiring for electrical, light, heat and power shall be made in conformity with the requirements of the edition of the National Electrical Code, published by the National Fire Protection Association, designated by order or regulation of the Code Enforcement Officer.
2. Inspections.
  - (a) Inspections shall only be conducted by individuals licensed by the Chief Building Inspector.
  - (b) The inspector shall make inspections and re-inspections of electrical installations within the City of Lockport upon the written request of the Building Inspections Department pursuant to this Chapter.
  - (c) In the event of any emergency, the inspector shall make electrical inspections upon the oral request of an official or officer of the City of Lockport.
3. Applicability. The provisions of this Chapter shall not apply to the electrical installations in mines, ships, railway cars, automotive equipment or the installations or equipment employed by a railway, electrical or communication utility in the exercise of its function as a utility and located outdoors or in buildings exclusively for that purpose.
4. Reporting. The inspector shall issue a written report to the Chief Building Inspector within seventy-two (72) hours after conducting an inspection. The Chief Building Inspector shall enforce all the provisions of this chapter, the electrical provisions of the National Electric Code, all local laws and ordinances, and the Building Code, insofar as any of the same apply to electrical wiring.

5. Certificate of Compliance. The inspector shall issue a Certificate of Compliance when the electrical installations and equipment are completed and are in conformity with this chapter. The inspector shall cause a copy of the Certificate of Compliance be filed with the Chief Building Inspector in the City of Lockport within seventy-two (72) hours from the completion of the inspection. The Certificate of Compliance shall be in writing, on the licensee's letterhead, and shall contain the address of the premises and a description of the work approved.
6. Additional provisions. This Article VIII, entitled "Electrical Standards" is a supplement to the Electrical Ordinance of the City of Lockport that was approved by Common Council and effective September 30, 1964, along with any additional amendments. For further information regarding electrical inspections, permits and other pertinent information, refer to Chapter 89, Electrical Standards.
7. Penalties for offenses. Any person found to be in violation of the provisions under this Chapter by the Chief Building Inspector shall be subject to penalties as determined by the Chief Building Inspector. Penalties shall include written warnings, license suspension or license revocation. The inspector shall have the right to request a hearing in the event that its license is suspended or revoked. Said hearing shall be conducted before the City Corporation Counsel.

This Local Law shall be effective upon filing with the with the Secretary of State pursuant to the Municipal Home Rule Law.
